

Artis Consulting is a professional services firm dedicated to delivering Business Intelligence solutions that provide the right information, to the right person, at the right time. Focused in three solution areas (Performance Management, Enterprise Reporting and Portals & Collaboration), Artis Consulting leverages unique skills in managing and transforming both structured and unstructured data into information, and information into knowledge for optimal decision making—establishing a competitive advantage for our clients. Founded in 2002, Artis Consulting is based in Richardson, Texas and is a Microsoft Gold Certified Partner with Data Management and Information Worker Competencies.

#### Position Description:

SharePoint Architect/Developer to help implement Corporate Intranets/Extranets. Duties will involve designing scalable, secure architectures for Portals using MOSS and WSS 3.0. This includes a strong knowledge of ASP.net, MOSS Content Management/Document Management, the use of Solutions and Features within the MOSS Framework as well as experience in setting up and managing MOSS sites from an Administration standpoint. Experience in IIS, Windows Workflow Foundation and ISA Server is a plus.

#### Position Requirements:

- 2 years experience in Microsoft Office Server/SharePoint Portal Server 2003
- 4 years experience in C#, Visual Basic.Net, ASP.NET, ADO.Net, SQL Server 2000, and/or XML Web Services. If not a C# developer, must have solid understanding of Object Oriented development
- Development updates and maintenance to existing sites
- Experience in building SharePoint applications/web parts interacting with the SharePoint Object Models/Web Services.
- Experience in configuring MOSS in an Active Directory environment, specifically around creating search scopes, usage analysis, and User Profile imports.

#### Qualifications:

1. Must possess exceptional analytical and troubleshooting abilities.
2. Highly motivated individual with strong sense of ownership.
3. Must be proactive with solid organizational and time management skills.
4. Good written and verbal skills.
5. Prior consulting experience preferred.
6. Must be eligible to work in the US.
