

## Artis Consulting Honored by Microsoft as Partner Award Winner for Customer Experience

**Richardson, TX – Mar 31, 2010** – Artis Consulting announced today it has won the *Customer Experience* award as part of Microsoft’s Partner Awards Program. Chosen from an extensive field of Microsoft partners in the South Central Region of the US for delivering market-leading customer solutions built on Microsoft technology, the ‘customer experience’ award recognizes a partner who has consistently provided exceptional customer satisfaction or an engagement framework with regard to a range of activities.

“Winning the *Customer Experience* award means a great deal to Artis Consulting because it validates our commitment to providing SharePoint and Business Intelligence solutions that customers truly value,” said Joe Randolph, managing partner for Artis Consulting. “There’s no better feeling than hearing positive customer feedback from a client who has indicated that their organization is making positive gains on their bottom line, employee morale and market share because of the strategy, hard work and commitment you have made on their behalf. And driving improved decision making sits at the very core of our mission and commitment to every client.”

“The value of Microsoft’s Partner channel is immeasurable. This award highlights Artis Consulting’s value, dedication, and commitment to our business. The tremendous contributions and achievements of our partners continue to be the cornerstone of Microsoft’s success,” said Jennifer Heard, vice president – Microsoft Central Region SMS&P. “We have the best partners in the world – they are the center of our universe and we can’t do this without them.”
